

Education & Training Event

Small Business Program

Training Highlights

- Up to 50% Higher Rebates
- Eligibility Information
- Customer Success Stories

PowerShift by NV Energy has expanded opportunities for small businesses to save energy and money with the Business Energy Services program - in 2025 program incentives have increased by up to 50%!

Small business customers with an annual electricity use of 400,000 kWh or less are eligible to receive these generous incentives and resources tailored to their needs.

Join us for this training event, to engage with industry experts, gain valuable insights and strategies to guide you on your sustainable path forward, and learn how to successfully take advantage of this program as a contractor or customer!

Register for this free in-person training - lunch is included!
