

Dale Carnegie's Women's Leadership Academy

Show up strong and take command!

One of the competitive advantages of successful companies is the **strength of its leaders**. It's a reported fact that female talent is good for business. Studies show that there is a **correlation between a company's financial performance and female leadership**. Today's most critical skills include those typically seen as strengths for female leaders. While for the first time in the **Fortune 500** list's 68-year history, more than 10% of Fortune 500 companies are led by women, there exists a tremendous opportunity for growth.

How Can You Prepare for Greater Success?

Invest in yourself and the female leadership in your team. Dale Carnegie's Women's Leadership Academy focuses on key leadership skills associated with growth and success in today's evolving workplace! This program through **experiential learning, self-study** and **group conversations** will help you transform your leadership journey.

My experience was amazing! I learned so much, not just from the trainer, but from others in the class as well. I have greater self-confidence and new skills to help me advance in my career. I highly recommend this class.!
