AVIATION NATION: HEROES IN AVIATION

Nellis Air Force Base, NV

4311 Washington Blvd.

Nellis AFB, NV 89191

10:00 AM - 04:00 PM PST

Sarah Alcaarez, (702) 490-9429

sarah@nellislife.com

Heroes come in all shape and sizes, often with a “superpower” they use to get out of difficult situations or to save someone. From all walks of life, our Heroes in Aviation bring their “superpowers” of curiosity, innovation, courage, and determination. These “superpowers” enabled humans to achieve flight from the centuries-old vision that we could fly just like the hawk or the eagle on the winds. From Leonardo da Vinci’s flying machine sketches to the Wright Brothers’ successful first flight, to Billy Mitchell’s passion that “America must become an Aviation Nation,” to our exploration of space; our deep seeded pursuit to go faster, farther and higher is grounded in our Heroes in Aviation “superpowers”. From concepts inspired by curiosity and innovation, we used courage and determination to ride a rocket ship into space and return safely to Earth. Our Heroes in Aviation built on the previous heroes’ triumphs and learned from their failures. Our inspiration, dreams, and pursuit of aviation excellence have constantly changed because our Heroes in Aviation used their “superpowers” to advance humanity, even in how we fight our wars.

Aviation Nation 2025 is a testament to these heroes and the opportunities taken.

We invite you to explore your curiosity through the exhilarating air demonstrations and the amazing interactive ground activities; to include Dream BIG – Inspire Festival. We can’t wait to see the innovation, courage, and determination that comes from your “superpowers!” The mission of Aviation Nation 2025 is to provide each guest, regardless of their walk of life or age, with a positive and breathtaking experience.

Come discover the adventure that awaits you at Aviation Nation 2025.

Ribbon Cutting Celebration - Gordon Law 10 Year Anniversary

Gordon Law

1820 E Warm Springs Rd Ste 115

Las Vegas, NV 89119

05:00 PM - 07:00 PM PST

Roberta Awerkamp, 702-565-8951

rawerkamp@hendersonchamber.com

Gordon Law was established in 2015 under the leadership of Aviva Gordon. Aviva started practicing law in Nevada in 1994 and has given dedicated legal advice to small businesses in Las Vegas and Henderson from day one. Gordon Law has provided unparalleled legal services for startups, business transactions, contracts, and commercial litigation in Nevada.

Gordon Law takes a vested interest in each client to help businesses proactively avoid legal pitfalls. Through years of serving as a corporate law firm in Las Vegas, Gordon Law became an integral part of businesses in Nevada. Gordon Law has been a partner with its clients through both opportunities of growth through business transactions along with achieving business dispute resolution through and around commercial litigation. In 2020, as COVID changed all of our lives, Gordon Law broadened its scope to work with families that were not necessarily business owners. Because of this changing lens, Gordon Law built out a dedicated Estate Planning pathway. As a part of this, we take our clients by the hand in discussing their hopes, aspirations and fears. We put together plans – not just documents – that protect their decisions and provide asset and estate protection. Our services do not end when you walk away with your estate plan. Rather, just like with our business clients, we remain a part of your journey. As there are changes in your life – birth, marriage, death – we revise your plans to maintain your wishes.

All In Aviation, the only Cirrus Aircraft partner and repair center in Southern Nevada, is a full-service aviation company offering flight training, factory transition training, pilot certifications, and aircraft rental, sales, management, storage, maintenance and parts. Dedicated to growing and developing more pilots, All In Aviation is a trusted partner for aviation training, from a student's very first flight through some of the most advanced pilot certifications.

The newly completed expansion includes a classroom equipped for ground school instruction, presentations and special events, expanded storage to support maintenance and training operations, four additional training rooms and offices for its expanding team of leadership personnel and certified flight instructors, and an elevator.

With an emphasis on quality customer care, All In Aviation's flight instruction is led by highly experienced and professional certified flight instructors. Open to anyone, private pilot training is conducted in the air and in a classroom setting, with students certified after completing a minimum of 40 hours of instructed flying.

From Cirrus to Cessna, All In Aviation's fleet includes the safest and most sophisticated piston aircraft on the market, equipped with Garmin Avionics technology, glass panels, air conditioning, and – included on all Cirrus Aircraft models – a whole-airframe parachute system.

All In Aviation has two locations to serve Southern Nevada, located at Henderson Executive Airport and North Las Vegas Airport. For additional information call 702-ALL-IN22 (702-255-4622), visit <https://www.allinaviation.com/> or follow All In Aviation on social media on Facebook at @AllInAviation and Instagram at @AllInAviation.

Embark on an exciting journey at the Henderson Chamber orientation — an exclusive event crafted to reveal the boundless potential of your membership. Whether you're a seasoned member or new to the chamber, our commitment to enhancing resources ensures that your business not only survives but thrives.

Did you know we offer cutting-edge programs for both professional and personal development? As your collective voice, we passionately advocate for pro-business policies driving economic growth, job creation, and fresh opportunities for your organization.

But that's not all! Join us at our virtual event to network, connect with fellow members, and explore untapped business opportunities. It's more than an orientation—it's a chance to discover how we can amplify success for you and your company.
