2021

We are Proud Military Moms because our sons and daughters have made the choice to Defend Our Freedom by serving their country. As mothers we were there to protect our children, but today they're the ones protecting us in the Global War On Terrorism.

As the holidays draw near, we reminisce about the traditions we hold dear. We want our US Military to know that Southern Nevada cares. Our hope, with your help, is to send "A Piece of Home" as referred to in the song by Army Veteran Tim Maggart.

Through the generosity of our Community, Businesses, Churches, Organizations, Clubs, Hotels and Casinos we will collect enough supplies to fill 1,200 stockings with hygiene items, snacks, entertainment, cards and Christmas cheer for our brave heroes.

You are invited to join us at this year's "Stockings 4 Our Troops". Bring along your family, friends, neighbors and co-workers to help as we can't do it without you!!
